‘Zhang Jian Cup’ excellent entrepreneurs’ talks about experiences

On 21 July, General Secretary Xi Jinping held entrepreneurs forum in Beijing. Talking about promoting entrepreneurs’ spirit, the General Secretary mentioned that, ‘from Zhang Jian in late Qing and early republic period, to Lu Zuofu and Chen Jiageng in anti-Japanese war period, and Rong Yiren and Wang Guangying after PRC was founded, they are all models of patriotic entrepreneurs.’ General Secretary’s talk got a lot of response from Nantong entrepreneurs. They said that the important speech bolstered their confidence and warmed their hearts.

Board chairman of Zhongtian Technology group Xue Jiping Establish industry, benefit local people with effort

By Ye Zhenhua

On 22 July, in the interview, board chairman of Zhongtian Technology Group Xue Jiping said that while General Secretary Xi Jinping listed models of patriotic outstanding entrepreneurs since modern times, Nantong sage Zhang Jian was the 1st one. As an entrepreneur of Nantong, he felt especially warm and honored.

Over the years Zhong-

tian Technology has been developing under the care and guidance of CPC Committee and government. Xue Jiping said that all Zhongtian staff was grateful for the care from CPC Committee and social parties, and Zhang Jian has been a model to learn always, Zhang Jian’s spirit shall be promoted, a business shall be developed to help local people.

Xue Jiping said that last year, Zhongtian Technolo-

gy’s revenue increased 14.29%; the net profit was more than 1.9 billion Yuan. Zhongtian Technology will conform the requirement from the General Secretary on the forum, propose salary increase when there is an increase in income, and no reduction on salary when there is a decrease in income, give employees a steady expectation, ensure employment and provide job vacancies, support and

promote local economic development. Next year our country will enter ‘the fourteenth five year plan’ period, correspondingly, Zhongtian is making the company’s ‘fourteenth five year plan’. Xue Jiping said that Zhongtian will increase its investment in ‘new infrastructure’ fields such as 5G infrastructure, extra high voltage and industrial internet while developing multiple industries, grab opportunities and develop the company.

On 21 July, jack up self-propelled operation platforms Huajing No.1 and Huajing No.2 built by China Merchants Group Heavy Industries (Jiangsu) Co., Ltd. were named and delivered. The two platforms will be used in oil field service, life support and wind power installation work.

More than 10 Nantong cinemas resumed business

By Xu Peiqin

On 20 July, the first batch of more than 10 cinemas in Nantong resumed business. The other cinemas will be open in the near future. Vice general manager of Gengsu theatre Song Feng said that people who entered the halls shall wear masks and show their ‘Jiangsu health code’, pass body temperature check and register their real names. While watching the films, masks shall be worn from beginning to end. Eating or drinking is not allowed in halls.

At the same time all cinemas will sell tickets of every other seat and row at intervals to have at least 1m distance between the audiences. The occupancy for each film shall be less than 30%. After every show, the seat armrests and 3D glasses will be disinfected. Producer of a First Farewell announced that the film will be on in the 1st day when cinemas reopen. It becomes the 1st movie after cinemas closed in Chinese New Year.
